

# Rotary Park ADA Trail

## Project Description:

This project consisted of an ADA-accessible 5' wide trail approximately 1/3 of a mile long. The trail surfacing includes concrete, chert and composite decking. The trail was built with a RTP (Recreational Trails Program) grant through TDEC (Tennessee Department of Environment and Conservation). The trail has won local and national awards including the 2015 GNRC Local Government Award and the 2015 CRT Tom Petri Annual Achievement Award for Accessibility Enhancement.

### Design Team:

Moore Design Services

### Total Project Cost:

\$141,968

### Contractor Team:

R. Lafferty & Son

### Completion Date:

May 2014

Carolyn Bowers  
County Mayor

Nick Powell, P.E.  
County Engineer
