

# Rotary Park

# Amphitheater Path

## Project Description:

This project achieves ADA accessibility for the Amphitheater area of Rotary Park. It included around 600 linear feet of ADA accessible concrete sidewalks with accessible ramps and metal railings along with new electrical service for this section of the park. A re-seating project was completed through an Eagle Scout project at the conclusion of the amphitheater path project.

**Design Team:**  
Moore Design Services

**Total Project Cost:**  
\$88,600

**Contractor Team:**  
Carter Douglas Company

**Completion Date:**  
July 2016

Jim Durrett  
County Mayor

Nick Powell, P.E.  
County Engineer
