Changing Lives. Opening Minds.

E³ PROGRAM

helping communities throughout Middle Tennessee responsibly recycle electronics waste while increasing profits and creating new job opportunities for people with disAbilities.

ADVOCATORS.

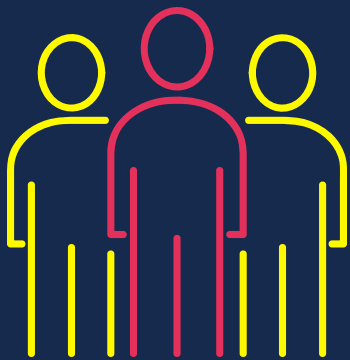

INNOVATORS. EMPLOYERS.

on-the-job training and employment for adults who are diagnosed with Autism Spectrum Disorder (ASD) and other disAbilities.

enables communities to transform local e-waste into positive environmental, social, and economic impact.

employees enjoy permanent jobs, satisfaction of independence, and feel needed.

Electronics Recycling Solutions is a not-for-profit organization designed to provide sustainable, long-term employment for adults with autism and different disabilities while offering an ethical solution to electronics waste management.

ERS has the profound honor of being Middle Tennessee's only electronics recycling solution impacting the economic, environmental, and social landscapes of our community following a successful model as advocates, innovators and employers.

MISSION

Our Mission at ERS is simple
- to recycle electronics to
create local jobs for people
with disAbilities.

CHANGING LIVES, OPENING MINDS

An independent study** of Blue Star Recycler workforce found employees with autism spectrum and other disAbilities:

- have a 97.43% task engagement rate
take pride in their jobs.
- have high rates of attendance
- look forward to going to work
- receive fair wages when considering their
disabilities

** Findings from "An Examination of Blue Star Recyclers Workforce Efficacy" study conducted in 2012 by Dr. Larry Sargent.
