Storm Water Control Structure Certification

I, _____, have reviewed the As-Built plans and conducted a field verification of the storm water control structures and BMPs at (Project Name) _____ on _____. I certify that all storm water control structures and BMPs were built in accordance with the approved plans and function as designed. In addition, I certify that all storm water control structures and BMPs are stable, show no signs of erosion, and the post-development discharges are less than pre-development.
